28<sup>th</sup> March 2019

Dear Parent/Carer,

**Operation Encompass** is a new innovative project in which schools in Gloucestershire will be participating, and which is run in partnership with Gloucestershire County Council, Gloucestershire Safeguarding Children Board and Gloucestershire Police.

Operation Encompass began on 4<sup>th</sup> March 2019 and aims to support children and young people who are affected by domestic abuse. Witnessing or experiencing domestic abuse is really distressing for a child, who often see the abuse, hear it from another room, see a parent's injuries or distress afterwards, or can be physically hurt by trying to stop the abuse.

As a result, following any domestic abuse incident being reported to the police, the Police will make contact with one of the Education Researchers within the Gloucestershire MASH, who will then on behalf of the police communicate relevant, necessary and proportionate information to nominated school staff. This will ensure that the school is made aware at the earliest possible opportunity and can subsequently provide support to children in a way that means they feel safe and listened to.

I believe that this project demonstrates our school's commitment to working in partnership to safeguard and protect children, and to providing the best possible care and support for our pupils.

In the meantime, if you would like to speak to someone further about the project or require further information please contact our DSLs in school who are, **Mrs Avis, Mr Payne or Mrs Latuszka**. Please be aware that this is a police led project and therefore any complaints that you have regarding this process must be directed through the police complaints process.
