

Endpoints for Art

Year 1 – Funny Faces and Fabulous Features

We will be learning about portraits and how collage can be used to make them.

What I know and can explain

A portrait is a drawing, photograph or painting of a face

A self-portrait is a portrait that someone makes of themselves

A collage is a picture or pattern made by sticking paper onto another surface

A running stitch is made by passing a needle in and out of fabric

Observation means looking closely at something.

Useful Vocabulary

Collage - A piece of artwork that has been made using a variety of different materials

Facial feature - A part of the face, such as the nose, eye, mouth, ear or cheek

Portrait – a picture, painting, drawing or photograph of a person's face, or head and shoulders

Subject - The person, place or thing that is the main focus of a piece of artwork
