

Endpoints for Art

Year 3 – People and Places

This topic will focus on the genre of figure drawing, looking at the work of L.S. Lowry and creating artwork in his style.

What I know and can explain

Artists can draw figures using simple, fluid lines and shapes

LS Lowry (1887–1976) was a significant artist who painted urban landscapes

Hatching is an artistic technique of drawing closely spaced parallel lines to create tonal or shading effects

Cross hatching is when lines are placed at an angle to one another

Shading is the technique artists use to create the illusion of depth or make an object three-dimensional. Hatching and cross hatching are ways of shading

An urban landscape is a picture of a town or city

LS Lowry

LS Lowry was an artist who lived from 1887 to 1976. He was famous for his simplistic, elongated figure drawings and paintings of the industrial urban landscapes of Manchester in the north of England.
